

Competition on 'Best out of waste' held on 27th January 2020

'Best out of waste' is a competition in which one can create useful and picturesque objects out of waste products. In order to make the students aware of uses of waste material, and to give them a message on reducing waste to save our future, a 'Best out of Waste' competition was organized on 27th January 2020. The students used reusable and recyclable materials like news papers, shoe boxes, bangles, ice cream stick's and much more. From these items, they created an amazing array of display items and useful everyday objects leaving everyone totally impressed. It was amazing to watch how scrap could be transformed into such useful and beautiful articles.
