

## Report on National Conference on held in Srinivasa College, Mukka.

On December 3<sup>rd</sup> ( 03/12/2019), a National Conference on “Evidence- Res Ipsa Loquitur – The Thing Speaks for Itself” was held in Srinivasa College. 35 Students from B.Sc (Hons) Forensic Science were taken to this conference, Prominent speakers from various colleges and from the field of Forensics gave talks on the role of forensic science in crime scene investigation, role of fingerprint and biological evidence in criminal investigation, methods of collection and preservations of evidence. This conference opened up a whole new perspective to the students to understand the field of Forensic science, and the role of an evidence in any scene of crime. The students were given an opportunity to interact with the speakers and clear their queries. At the end of the conference, the students were asked to give a feedback and share their experience regarding the conference.
