

Report on Participation of Forensic Science Students in ‘Analyst - 2020’ - National Level Intercollegiate Fest

A team of 12 students from II Semester - B.Sc. (Hons) Forensic Science course participated in ‘Analyst - 2020’- a National Level Intercollegiate Fest organized by St. Aloysius College, Mangaluru on 20th February, 2020.

Various competitions such as Quizzard (Quiz), Chem Marvel (Star of Analyst), Emblazon (Chem Rangoli), Colloquy (Seminar), Giggle the Juggle (Video Juggling), Photomontage (Collage), Chronicled (Documentary) and Simulacrum (Face Painting) were conducted. The students were able to proceed to the final round and they also won the third place in face painting.

The first-year students got a chance to demonstrate their creativity in Chemistry, a subject that they can apply in their own field. The events helped them mingle with other participants from different colleges and expand their social network.
