

Report on “WEBIFY – Be Future Ready” held at YIASCM

Computer Science department and the IT Club of The Yenepoya Institute of Arts, Science, Commerce and Management, Balmatta, organised a guest lecture on January 22nd, 2020 for the First year BCA students on the topic “WEBIFY – Be Future Ready”. Mr Suman Antony Lasrado, Assistant Professor, Department of BCA, St Aloysius College (Autonomous), was the guest speaker.

Ms. Sindhu Sandesh, Asst Prof, Computer Science department welcomed and gave a brief introduction of the guest speaker.

Mr. Lasrado began the session by sharing information on the Web, Websites, Web Development and Creating end products and guided the students to learn the different tools that are updating day by day. He also mentioned to the students stressing on the importance of excelling in education. He said that, we are living in a technological world and we all should upgrade our knowledge according to the paradigm shift. The workshop helped the students to upgrade their knowledge to the contemporary digital world. He also gave a practical session on HTML, CSS and PHP to brief the students on programming and guided them in developing websites. He concluded the session with an activity.

The session was enlightening and inspiring to the students and they were overwhelmed by the knowledge and the insightful presentation of the speaker.

Ms Srijana Shet, Asst Prof, Computer Science department and the coordinator of IT Club, proposed the vote of thanks.
